Opening Song

My country, 'tis of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From ev'ry mountainside
Let freedom ring!

Closing Song

We all are Twenty-Thirtians,

It is our motto,

That youth to be served must serve

When we do things we do them right

Any big job is our delight.

You will hear us

Always boosting our community

That will make us grow

And keep expanding

From California to New York, York, York

For Sincerity in Service is our Slogan for Success

That makes us Twenty-Thirtians!

BIG BLACK BULL

The big black bull came down from the mountain,
Houston,
Sam Houston.

The big black bull came down from the mountain,
A long time ago,
It was a long time ago....oohh, ohhh, ohhh, long time ago
The big black bull came down from the mountain, a long time ago

He spied a heifer in the pasture,
Houston, Sam Houston
He spied a heifer in the pasture,
A long time ago.
It was a long time ago....ohhh, ohhh, oooohhhh, long time ago
He spied a heifer in the pasture, a long time ago.

Well he 'umped the fence and he 'umped that heifer,
Houston, Sam Houston,
Well he 'umped the fence and he 'umped that heifer, a long time ago,
It was a long time ago....ohhh, ohhh, ohhh, long time ago
Well he 'umped that fence and he 'umped that heifer, a long time ago

Well, he missed his mark and he *pffitt'd* in the pasture,
Houston, Sam Houston,
He missed his mark and he *pffitt'd* in the pasture, a long time ago
It was a long time ago....ohhh, ohhh, oooohhh, long time ago
He missed his mark and he *pffitt'd* in the pasture, a long time ago

Well, his head hung low and his balls hung lower,
Houston, Sam Houston,
His head hung low and his balls hung lower, a long time ago.
It was a long time ago....ohhhh,oooohhh, oohh, long time ago.
Well, his head hung low and his balls hung lower, a long time ago

Well he wiped his dink on a white oak sapling,
Houston, Sam Houston,
Well he wiped his dink on a white oak sapling, a long time ago
It was a long time ago...ooohhh, ooohhh, ooohhhh, long time ago.
Well, he wiped his dink on a white oak sapling a long time ago.

Well the big black bull went back to the mountain,
Houston, Sam Houston
Well the big black bull went back to the mountain, a long time ago.
It was a long time ago...ooohhh, ooohhh, ooohhhh, long time ago.
Well the big black bull went back to the mountain a long time ago.
